General Instructions

Use of Form

Form A1-APR EXT is used to request an extension of time to file the annual payment withholding tax return, Form A1-APR. ARS § 43-412 provides that the Department of Revenue may grant an extension of time to file Form A1-APR upon a showing of good cause by the employer.

Form A1-APR requires the employer to file the federal Forms W-2, W-2c, W-2G, and 1099-R (if the Forms W-2G and 1099-R include Arizona withholding) to the Department of Revenue as an integral part of the reconciliation required by ARS § 43-412. Therefore, an extension of time to file Form A1-APR is also an extension of time to file federal Forms W-2, W-2c, W-2G, and/or 1099-R associated with that return.

When to File Form A1-APR EXT

Form A1-APR is due on or before February 28 of the year following the close of the calendar year being reported. If the due date falls on a Saturday, Sunday, or legal holiday, the due date is extended to the next day that is not a Saturday, Sunday, or legal holiday.

The employer should file the extension application as soon as the employer knows that an extension of time to file is necessary. BE SURE TO MAKE A COPY OF THE EXTENSION APPLICATION BEFORE SENDING IT TO THE DEPARTMENT. THE COPY IS REQUIRED TO BE ATTACHED TO FORM A1-APR WHEN IT IS FILED. The extension application must be postmarked on or before the due date of Form A1-APR. An extension cannot be granted if the extension application is postmarked after the due date of Form A1-APR.

Payment of Tax

The entire amount of tax is due on or before March 2, 2009, the original due date of Form A1-APR. The annual withholding payment must be remitted with the extension application. Payments can be made via check, e-check, money order, or credit card.

Check or money order

Make checks payable to Arizona Department of Revenue. Write the taxpayer's EIN on the front of the check or money

order. Attach the check or money order to the return.

Internet Payments

Employers must be licensed by the Department of Revenue before they can register to pay taxes online. Go to www.aztaxes.gov to register and make payments over the internet.

Electronic payment from checking or savings account

Payments can be made electronically from a checking or savings account. Go to www.aztaxes.gov and choose the e-check option. There is no fee to use this method. This payment method will debit the amount from the specified checking or savings account on the date specified. If an electronic payment is made from a checking or savings account, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

Credit card payment

Payments can be made via American Express, Discover, MasterCard or VISA credit cards. Go to www.aztaxes.gov and choose the credit card option. This will take you to the website of the credit card payment service provider. The service provider will charge a convenience fee based on the amount of the tax payment. The service provider will disclose the amount of the convenience fee during the transaction and the option to continue or cancel the transaction will be presented. If you accept the convenience fee and complete the credit card transaction, a confirmation number will be generated. Keep this confirmation number as proof of payment.
